Dr. Cingle joins Northeast Ohio Eye Surgeons from MetroHealth Medical System, where she most recently served as Chair of the Ophthalmology Department.

A graduate of the Case Western University School of Medicine, Dr. Cingle is Board-Certified. Her specialties include Comprehensive Ophthalmology, including the diagnosis and treatment of glaucoma, macular degeneration and diabetic retinopathy. She is highly experienced with new techniques in sutureless cataract and laser surgeries.

Dr. Cingle currently is available to see patients in both our Stow and Kent locations.
